Re: **Purpose of payment and third-party payer — incoming wire TXN-004827 ($365,000.00)**

On 4 November 2025 we received an international wire of USD 365,000.00 from Crescent Meridian General Trading FZE, United Arab Emirates (TXN-004827). The wire message did not carry a purpose or invoice reference. This letter and the enclosed supplier invoices are our response.

Crescent Meridian is not a manufacturer. They told us they act as a regional buying agent for a Gulf distributor that purchases our U.S. inventory. They asked to prepay three Asian supplier invoices that we would then settle by wire: GDS-INV-2025-4410 ($60,000), HME-INV-2025-2288 ($55,000), and SBW-INV-2025-9014 ($80,000), with the remainder applied to future purchase orders.

We do not have a long-standing contract with Crescent Meridian. AE is outside our expected operating countries (US, CN, TW, KR, HK). We are providing this explanation and the invoices so the investigator can assess the relationship. This letter does not certify that the activity is legitimate.

A later incoming wire from Lionsgate Harbor Holdings Pte. Ltd. (SG), TXN-004835 for $340,000.00 on 19 November 2025, was described to us as a similar agency prepayment. We have not attached a separate contract for that payer.

Respectfully,
